Welcome back to a wonderful year ahead!

It has been a fantastic start to the school year, and I would like to warmly welcome all of our returning families and those who are new to our community. We hope the holidays provided time to rest, recharge and enjoy special moments together. There is a real sense of energy and optimism around the school, and we are excited for the year ahead.

Our recent Open Night was a tremendous success. We were thrilled with the positive turnout and the strong representation from families across all year levels. The atmosphere throughout the evening was warm, vibrant and welcoming. Classrooms were alive with conversation, curiosity and pride as students shared their learning spaces and teachers connected with families. Events like these truly highlight the strength of our school community and the partnerships that support our students to thrive.

I would also like to sincerely thank those members of our community who have put their hands up to be part of our Governing Council this year. Your willingness to contribute your time, ideas and expertise is greatly appreciated. A strong Governing Council plays an important role in shaping the direction of our school, and we value your commitment to working collaboratively for the benefit of all students. Our Governing Council members are:

Jen Harrison - Chairperson
Katarina Nagy - Vice-chairperson
Melissa Gasson - Secretary
Selina Millsteed - Treasurer
Renee Kestell & Mamta Rewaria - Council Members

We are also seeking expressions of interest from parents and caregivers who would like to be part of a Fundraising Committee. Fundraising efforts support valuable programs, resources and experiences for our students, and even a small contribution of time can make a big difference. If you are interested in being involved, please contact the front office. We would love to hear from you and welcome your involvement.

Thank you for your ongoing support and partnership. When schools and families work together, wonderful things happen for our children. We look forward to a productive, positive and rewarding year ahead.

Aquatics

On Monday 9 February 2026, all Year 5 students travelled by bus to the Port Noarlunga Aquatics Centre, located beside the Port Noarlunga Jetty, for a day of aquatic activities.

During the excursion, students participated in a variety of activities including surfing, boogie boarding, swimming, and playing games on the sand. They also learned important skills related to beach safety, such as understanding beach safety signs, engaging in survival games, and practising rescue scenarios—such as assisting someone pretending to need help in the water.

Some student reflections from the day included:

Hayden (C2): “I enjoyed going in the water, except when I almost got bitten by a big crab.”

Louis (C2): “Playing the games in the water was so much fun. My favourite game was peas and potatoes.”

Delilah (C2): “I really liked making whirlpools in the water.”

Leylah (C2): “It was really cool splashing around and looking for fish, which Delilah and I did a lot of.”

Parliament House

On Monday 24th February, as part of our Australian and Global Citizenship topic, Year 6 students visited Parliament House. Chris Picton gave us a tour and taught us about the Upper and Lower Chambers and what decisions are made there. Charlotte dressed up as the Speaker and Tychon and Jack were the Clerks.
