

Hi Everyone,

What a busy and exciting start to the term—we certainly hit the ground running!

We began with a very successful Open Night, which replaced our traditional Acquaintance Night. Families enjoyed a relaxed evening with a sausage sizzle and the opportunity to wander through classrooms. Staff loved reconnecting with familiar faces, and many families shared that the more informal atmosphere helped them feel especially welcome.

Our Year 5 students had a fantastic time at aquatics, and thankfully the algal bloom cleared in time for our Year 3 and 4 students to also enjoy this opportunity two weeks later.

Meanwhile, our Year 6 students visited Parliament House, gaining valuable insight into how our state is governed.

We also celebrated Harmony Day, embracing and recognising the rich diversity within our school community. In addition, several students proudly represented our school in SAPSASA events—well done to all involved!

A highlight for many was our visit to Seaford Secondary College, where students were inspired by an outstanding Arts Showcase. Thank you to Seaford Secondary College for such an impressive performance.

Sports Day was another major success. We enjoyed presenting our teams to families in a more formal way, followed by an energetic afternoon of running races. After several years, it was exciting to see Jameson take home the Sports Day trophy! Students have also been working hard to earn house points, contributing toward the House Shield at the end of the year.

We are finishing the term on a fun note with our Casual Clothes Day in support of the Little Heroes Foundation. Students came dressed as what they aspire to be in the future—ranging from police officers to footy players I even had the privilege of having my hair styled by a future hairdresser while meeting with several future educators and a future principal.

Thank you for a wonderful start to the term!

Sports Day – Congratulations Jameson

AFL and SANFL Cups Visit Seaford Rise Primary School

Seaford Rise Primary School had the honour of hosting both the AFL, AFL W and SANFL, SANFLW premiership cups! This special occasion was made possible through our ongoing partnership with local sporting organisations.

Our students gathered in the gymnasium for a special assembly, where they had the unique opportunity to view the prestigious cups up close.

Students were eager to ask questions about the history of the cups.

We'd like to thank the AFL and SANFL representatives for sharing this memorable experience with us and for encouraging our students to be their best both on the field and in the classroom.

Harmony Day

On 20th March, Seaford Rise Primary School joined communities across Australia to celebrate Harmony Day—a special occasion dedicated to inclusiveness, respect, and belonging for everyone. This year's theme, "Everyone Belongs," encouraged our students and staff to embrace cultural diversity and appreciate the unique backgrounds that make our school community so vibrant.

Throughout the day, students participated in a range of classroom activities that encouraged discussion about Australian multiculturalism. Together, we explored the different cultures represented in our classrooms, shared stories, and discovered the importance of working together in a spirit of friendship and respect.

A highlight of the day was our "Wear Orange" initiative. Orange is the official colour of Harmony Day, symbolising social communication and meaningful conversations. Student leaders provided activities for the student body at break times. Harmony Day displays can be seen around the school.

Special thanks to our staff, students, and families for supporting Harmony Day. By learning about and respecting all cultures, we help to create a school where everyone feels welcome and valued. Let's continue to celebrate diversity not just on Harmony Day, but every day.
